Dear Parent/Carer

AS Chemistry Student Book

In order to support the studies of your son/daughter at home, it is clearly desirable that they should have access to a good quality textbook/revision guide that is appropriate for the course they are following.

We are unable to loan AS textbooks due to the significant expense, however, they may come to the science department or library and make use of the books available at any time during the school day.

We also recommend that students purchase the textbook published by CGP and we have this available to purchase from school at a reduced price of £10.15 each.

For Year 1 (Y12) and AS students – <https://www.cgpbooks.co.uk/secondary-books/as-and-a-level/science/chemistry/catb52-a-level-chemistry-for-aqa-year-1-as-st>

You can order this item by going online to your Parentpay account. Unfortunately we no longer accept cash or cheque payments within school.

If you would like a copy of your unique activation username and password please email parentpay@silverdale-chorustrust.org stating your child's name and year group. Once you have paid, please check on Parentpay that you have received a transaction receipt for the payment – you can use this as proof of purchase in the situation of us not receiving your payment and possibly not allowing your child to take part in an activity/ receive resources.

If you would like to discuss any aspect of this letter or have any queries about your son/daughter's chemistry course, please contact the school.

Yours sincerely

B. Patel
