

July 2019

Dear Parent/Carer

Medication required during extra-curricular activities/after school events at school

If your child needs access to medication (such as inhalers, epi-pens etc.), please be aware that they need to bring their own supply to extra-curricular events such as sports fixtures, plays and trips, even if the activity is at Silverdale School. Medication held in school can only be used within school hours.

Any queries regarding this, please email enquiries@silverdale-chorustrust.org

Yours sincerely

J Verney

Mrs J Verney
Assistant Headteacher

Executive Headteacher: Roisin Paul
