

# Information for parents – Corona Virus

## This week

### School closes today

Silverdale School closes at 3.15 on Friday 20<sup>th</sup> March. We don't know when school will open.

### Support

We will talk to students about school closing. Some children will feel upset and confused.

## Next week

### School work

Most children will stay at home. They will learn from home. Their teachers will give them work to do. It is important that your child completes all the work.

The work is on the Milk homework app. Your child will need pens, paper and a quiet place to learn.

### If you are worried about your child's learning

Please email your child's Key Stage office or ring school.

### If you are worried about your child's safety

Please ring 07401 977802 or 07490 417698.

## Financial difficulty

### Free School Meals

The government will give families supermarket vouchers. We will send more information when we know. Contact your Pastoral Manager if there is a problem.

### Sanitary products

We have lots of free tampons and pads in school for girls who have their period. Please ask Key Stage Pastoral Managers and we will get them to you.
