Dear Parent/Carer

Silverdale School /Chorus Education Trust: Consultation of changes to Pupil Admission Criteria for Sixth Form Entry

Westfield School will be joining Chorus Education Trust from February 2018. Currently Westfield does not have a sixth form provision but does have a large number of very able and ambitious students who wish to access the Silverdale Sixth Form provision.

As a Chorus Education Trust school we would like to offer priority status to Westfield students. This would mean that if Westfield students attain the required entry qualifications, they would be given priority over any other external applicant for a Sixth Form place. The distance criteria would still be a tie breaker in the event of a course being full.

If you would like to contribute your view on this consultation, please email Nicky Mason, PA, at: nmason@silverdale.trust.org by January 31st 2018.

Yours sincerely,

Roisin Paul
Executive Headteacher
