Description

Open to all levels to develop their skills and create pieces for the Silverdale concerts.

Come and learn British Sign Language - all welcome. You may bring cold food to eat.

Come and learn BSL and sign to your favourite songs, singing is optional. We will start on some songs that I already know and love but I always love to get new ideas for different signed songs. Bring your sandwiches (no hot food allowed).

Come along to develop your chess skills and test them against each other!

Students meet weekly in year groups to work on a project they decide upon and create a performance for the Winter Festival.
