

**UP Fest** is a Careers and Progressions event for students aged 15-25 in Sheffield which is coming 'On Tour' to a room near you as part of **National Careers Week 2021**

This event is to help students in Sheffield aged **15-25** to plan their next steps into employment, training or education.

**To register for the fair [click here!](#)**

This is a great opportunity for you to talk to:

- Around 15 organisations offering learning or training to help you make the next steps
- Apprenticeship organisations
- Impartial careers guidance professionals offering support with your decision making
- 30 Sheffield based employers helping to explain the different types of careers across the key sectors in Sheffield
- Universities and higher education specialists
- Specialist provision for young people with SEND

As well as being able to talk to all the exhibitors at the virtual fair, you will be able to fill your 'virtual backpack' with plenty of flyers, videos and other info to access after the event.

Once registered, you will be able to come and go throughout the event. Why not bring a parent/carer along?

UP Fest is brought to you by The Sheffield College and Sheffield City Council with support from a range of learning organisations, employers, and universities in and around Sheffield.
